Terms of Use

All users of **Brahan data** made available through this Data Sharing Agreement between **Brahan Partners** and **Users** must agree to the following conditions of use:

1. This Agreement is only a license to use part of or the full Brahan data set. No title or other rights are conveyed by this Agreement.
2. These data are provided 'as is', and Brahan partners make no warranty, either expressed or implied, as to the appropriateness and fitness for a particular purpose.
3. These data are to be used only by the person, department or organization that had requested the data in writing from Brahan partners, and other staff members of this institution (referred to here-in as "Authorized Users") and only while they have such status with this institution.
4. These data are provided for the exclusive purposes of that they are requested for, and **may not be used for any other purposes** without the explicit written approval, in advance, of Brahan partners.
5. The distribution of any data obtained under this Agreement through transfer, donation, sale, or exchange of any portion of these data in any way is strictly prohibited. In accordance with this condition the Authorized User agrees not to copy or permit others to copy the products, in whole or in part without written authorization from Brahan partners.
6. When the user publishes information relating to these data, prior permission should be sought from Brahan partners.
7. The authors of all communications using Brahan data are required to cite Brahan partners as the source of the data, in the following manner:
HF radar data: "*Turrell W.R., A. Gallego, J. Sanchez, A. Alonso-Martirena, L. Pederson, C. Whelan, D. Woolf, K. Johnson, M. Bell, J. Turton, R. Bly, C. Grant, F. Knight, D. Mills, 2014, Brahan Project SeaSonde HF Radar Data. www.thebrahanproject.com DOI: 10.7489/1596-1*"
In-situ data: "*Berx, B., A. Gallego, S. Hughes, G. Slessor, J. Dunn, D. Lee, M. Geldart, R. O'Hara-Murray, J. Hindson, W.R. Turrell, J. Sanchez, 2014, Brahan Project In Situ Data. www.thebrahanproject.com DOI: 10.7489/1597-1*"
8. Should the Authorized User no longer be associated with the institution that requested the data, or if advised by the institution that his/her employment contract has been terminated, the Authorized User agrees to return or destroy any and all copies of the digital spatial data in the possession of the Authorized User to the requesting institution.
9. The main purpose of this Agreement is to keep track of the use of the Brahan data.

By signing this document the Authorized User agrees to all of the provision of this Data Sharing Agreement.
